

BARWON HEADS CHRISTMAS ARTS TRAIL

Presented by the Combined Churches of Barwon Heads

The Christmas Arts Trail is an exhibition with a difference.

During the four weeks of Advent prior to Christmas, works of art by local artists will be displayed in four shop windows in Barwon Heads. These art works reflect the four themes of Advent: HOPE, PEACE, JOY and LOVE. They are traditional themes for this season as we prepare for Christmas.

We would love to hear your responses to these works of art and what they mean to you. It would be great if you could post your responses via the QR codes accompanying the art works or published below.

The venues will be the Post Office, IGA, Ten Thousand Things and Frith.
